DISCUSSION

Meeting started at 19:09

There was no quorum at this meeting so no decisions were made. The following are notes from our discussion:

Patriotic Celebration

- July 18-20th
- Peter to email out timeframes and schedule to CERT to fill in volunteer spots
- Will have canopy set up like last year. Can we get closer to the other tents to get more foot traffic?
- Will use Diane's canopy. She'll work out details with Peter to get it to him for set up.
- Suggested we raffle off a basic go-kit
- Diane offered to collect the items for a go-kit. Will send out an email with list of items for go-kit and get suggestions from group
- Need a message for Channel 6

Misc

- Diane will send out info on the amateur radio field day
- Meeting place change communication: Diane suggested we create an 8x10 laminated sign in a bright color where we can use dry erase marker to write the new location for the CERT meeting. This can be put on the window next to the cafe door.
- May's meeting discussed what is expected if Weare is used as a POD
- Mark came as a guest to the meeting to discuss chainsaw safety training and electrical hazard training that he gives.

Meeting was adjourned at 20:06
